IN THE MATTER OF THE PRELIMINARY DETERMINATION OF THE ANTI-DUMPING INVESTIGATION RELATING TO WHEAT FLOUR IMPORTS FROM TURKEY (AETN CODE 1101.00.10) (ANTI-DUMPING MEASURE [ADM] CASE NO. 01-2013)

Philippine Association of Flour Millers, Inc.
 Petitioner

ORDER

The Philippine Association of Flour Millers, Inc. (PAFML) has filed a petition with the Department of Agriculture (DA) for the imposition of an anti-dumping measure against wheat flour imports from Turkey. PAFMIL claims that "local flour millers have been on the losing side of the battle against Turkish flour which is being dumped on domestic markets at prices even lower than their cost of raw material which is wheat".

The period of investigation for dumping determination covered import transactions from 1 January to 31 December 2012. However, for the injury determination, the period covered were for the years 2010-2013.

WHEREFORE, IN VIEW THEREOF, the Department of Agriculture pursuant to RA 8752, found after preliminary determination, an affirmative finding of dumping on the petition filed by PAFMIL for the imposition of anti-dumping duty against imported wheat flour originating from Turkey.

As a consequence thereof, the corresponding provisional anti-dumping duty in the form of a cash bond will be imposed for a period of four (4) months from the effectivity of this Order on importation of wheat flour from Turkey.
