Re: Invitation to IRANPHARMA EXPO 2022  
Dear Honorable

Greetings,

You are hereby invited to visit IRANPHARMA EXPO 2022, which will be held from 10th to 12th of October 2022, in the Grand Musalla of Tehran. Hosting more than 600 exhibitor companies every year, including the biggest brands in the pharmaceutical industries, as well as scores of professional visitors, this event is the biggest pharmaceutical event in the MENA region. This edition of IPH is designed to be a platform for creating synergy among companies after a global pandemic and showcasing the latest achievements in the pharmaceutical industries. Furthermore, the participation of a group of professionals of your rank and esteem will be a fruitful addition to the show and the Iranian Pharmaceutical Industries Syndicate, as the event organizer, is prepared to collaborate with all the members of your group to arrange for B2B meetings with the industry at the exhibition's bylines and find ways to boost trade relations for both parties' benefits. We do believe that it will prove to be a great opportunity for strengthening ties between all the countries of the region and the world.

Your presence will be highly appreciated.
