

Company Profile

Auto Corner –
Supplying Solution Support.

Managing Director's message:

At International Auto Corner, we aim to sustain our leading position as a provider of required product and services, as we continue to seek excellence and further achievements that would benefit our team, customers and partners. We believe that the ever- changing global environment creates opportunities in its wake, and our dedication and commitment to the success of our customers, combined with the patience to wait for the right opportunity to present ourselves, remains central to Auto Corner's focus.

This philosophy has allowed Auto Corner to grow by evolving into a reputable supplier of defense products and services to different institute in Bangladesh. At the company, we combine our marketplace insight with strategic thinking for the benefit of our customers and international partners who rely on our success.

Maintaining a business in a highly competitive market requires that the demands and needs of our customers are met quickly and decisively and the competition within the marketplace has strengthened our position in our field.

We hope that Bangladesh defense sector may get the longevity by securing peace, honor and pride in this world.

Best Regards,

Mr. Md. Mazharul Islam Sumon

Dear Sir,

Please be informed that we Auto Corner is an enlisted supplier to defence sector of Bangladesh. Last 5 years, we have been supplying different items as per defence requirement. Also we cooperate Engineering Company (EPC) for different Project.

Now we would like to get supplier for below items -

GMCS strip (Copper)
HS Code: 74099000

Wire of Brass
HS Code: 74082100

Aluminium Alloy
HS Code: 76061110

Zinc Ingot
HS Code: 79040000

We would request for sourcing a Turkish trading or manufacturing company for supplying above items.

Meantime, we would request for sourcing a Construction Company reference for "Asphalt Concrete Overly in the surface runway for 3nos Airport".

Best Regards

Md. Atikul Haque
